

How to Log Into Feral Cat Schedule--With Screenshots

Go to <http://www.supersaas.com/schedule/IHSFeralCats/> in your browser window.

Click on "Create a new user account" at the bottom of the screen.

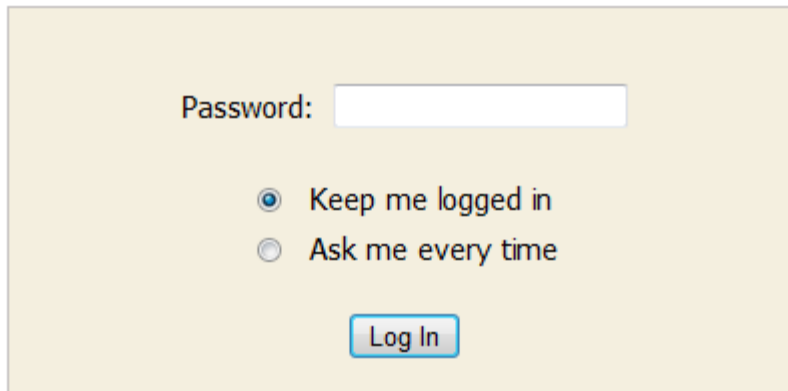

Client Log In

A screenshot of a login form titled "Client Log In". The form has a light beige background. It contains two input fields: "Email:" with the text "IHSFeralCats" and "Password:" which is empty. Below the fields are three radio button options: "Keep me logged in" (selected), "Remember my e-mail", and "Ask me every time". At the bottom of the form is a "Log In" button and a link that says "Create a new user account".

Type in the password "feral" in the blank and click on "Log In."

Make sure you are logged in with your email and password. Then go to the small calendar on the right and click on a date you are interested in for an appointment. Light blue = Full, Dark blue = empty slots, Green = You have an appointment on that day. In this example, all dates are Full.

January 2012

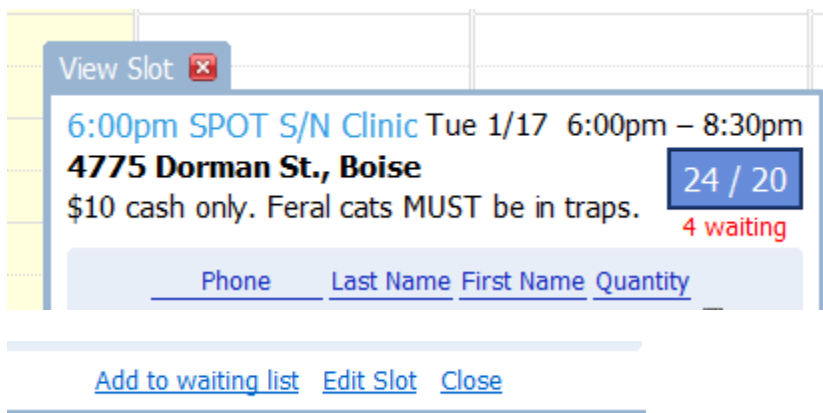

Sun	Mon	Tue	Wed	Thu	Fri	Sat
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	31	1	2	3	4

Fri 1/20 Sat 1/21

Scroll down to the larger calendar below and click on the date you'd like to make an appointment. The time of the appointment and location is shown. If there is a green check, you are registered for that date. In this example, 27/25 means the date holds 25 appointments and 2 are on the wait list for a total of 27 (wait list is no longer available however). Click on this blue box on the large calendar to make an appointment.

At this point, you can “Create an appointment” OR “Add to the waiting list.”

Fill in the information on the first page and on the next form.

Finally "Make an Appointment." You're DONE!

Next time, simply log in with your email and password.
